for the purpose but I have no means
to know if the F B O P ADX mail my letter
to you or the US attorney on F B T. I have
been deny to have Mr Jerry Goldman
of Anderson Kill to be my counsel

So could you forward my letter to
any Judge relevant to the terrorist
case listed above and to the Plaintiffs
with my request to have Mr Jerry Goldman
as my lawyer.

I have written in the past to many court in
N-Y and to DJ Daniel who inform the
MDC 1570 Plaintiffs' Executive Committee in re:
Terrorist Attack on September 11, 2001 (S.D.N.Y.)
of my propose Testimony against Al Qaeda.
Since the 17 of June 2014 the 9/11 Victims
Committees (above) have requested to meet me
in a letter to the ADX Warden (which I have
a copy). Until today this request has been
deny. I used to have Ms Joyce Ellen Rosendahl
as attorney but she refuse to contact the Judges
and Mr Goldman and she will withdraw from
my case claiming a conflict of interest and a
"tremendous stress". Finally I have a letter
to inform DJ Brinkman of Alexandria Virginia
but I have no independent means to verify it
